Siegbert Tilo

Front-end Developer

✉ siegberttilo@gmail.com   📞 +49 57 214 7753   📍 Magdeburg, Germany

PROFILE

I am a highly skilled Front-end developer with a Bachelor's degree in Science from the University of Rostock. I can speak in English fluently and have experiences in developing web applications using React, Redux, React Native, Next, Vue, Flutter, JavaScript, TypeScript, HTML/CSS, and RESTful APIs. Familiar with agile development methodologies and proficient in Git for version control.

PROFESSIONAL EXPERIENCE

React Developer
UkrInSofT

10/2021 – 04/2023
Munich, Germany

- Developed and maintained a large-scale React application, handling 100,000+ monthly active users.
- Implemented a new feature that increased user engagement by 25% and improved overall customer satisfaction.
- Conducted A/B testing to optimize user interfaces and achieved a 10% increase in conversion rate.

Front-end Developer
Ahdus Technology

05/2020 – 09/2021
Heilbronn, Germany

- Assisted in the development of 5+ React-based web applications, contributing to the overall functionality and user experience.
- Participated in 10+ code reviews and provided constructive feedback to improve code quality.
- Worked closely with the design team to implement pixel-perfect user interfaces, resulting in a 15% increase in user satisfaction.

Intern
Ahdus Technology

10/2019 – 04/2020
Heilbronn, Germany

- Developed and maintained 10+ web applications using React, ensuring high-quality code and adherence to project requirements.
- Orchestrated cross-functional collaboration to gather requirements, develop project timelines, and successfully deliver solutions ahead of schedule; facilitated seamless communication resulting in a 20% increase in page load speed through responsive and optimized web applications.
